

Sunday School classes will be held at 11am in Building 6.

- Room 65 → MS/HS Class
- Room 68 → Ladies Class
- Room 69 → Adults Class

Restrooms will not be available in Building 6. Please use the restrooms in Building 2.

Classes will continue to be held on Zoom as well. Links to the Zoom Meetings will be emailed on Saturday.

During this time we will not be passing the offering plates on Sunday Morning. There will be an offering box on the path as you enter the Chapel.

You can also scan the QR Code below to learn more about online giving.

In order to safely participate in the Lord's Supper together, we have individually wrapped communion elements. On Communion Sundays they will be available on the table as you enter the Chapel.

All Children's Ministries will not be meeting at this time. This includes Children's Sunday School classes, Nursery and Junior Church.

Our Plan To Safely Worship Indoors

The health and safety of our Church Family is our top priority. We are committed to creating a safe worship environment while following all CDC guidelines.

To allow for maximum social distancing in the Chapel we will be having 2 worship services at 9:30 and 11am. Sunday School classes will be held during the 11am service.

If you will be attending the 11am service, we ask that you do not enter the building until 10:50am. This will allow time for those attending the 9:30 service to exit the Chapel.

We have dedicated volunteers that arrive early on Sunday mornings to disinfect high touch areas such as door handles, light switches and restrooms.

Timothy Christian School has purchased a backpack sprayer which allows them to disinfect large areas (such as classrooms) easily. TCS has also installed MERV 13 filters in the HVAC system in the Chapel and the classrooms. These filters are rated to filter out virus particles.

We ask that everybody maintain the recommended 6 feet of social distancing at all times while on campus. Reminders are posted throughout the campus.

To maintain social distancing, restroom capacity has been set at 2 people at a time and the church closet capacity has been set at 1 person at a time.

The water fountain will be closed during this time. Please bring your own bottle of water.

Disinfecting wipes will be provided if you would like to wipe down your chair prior to the Worship Service.

We ask that you only wipe down the metal part of the chair and not the padding as it may stain the fabric.

Per Governor Murphy's Executive Order facial coverings are required at all times while inside the building. If you need a facial covering there will be a table by the entrance to Building 2 and one will be provided to you.

Children under the age of 4 are not required to wear a facial covering however must remain with their parent at all times.

We will be establishing one way hallway traffic in order to promote social distancing. We ask that everybody follow the posted arrows.

Please do not congregate in the hallways.

There will also be designated entrances and exits in the Chapel. Signs will be posted.

Hand Sanitizer Stations will be located at the entrance to Building 2, next to all of the doors in the Chapel and in all of the Sunday School classrooms.

We encourage everybody to use the hand sanitizer as you enter the Chapel and the Sunday School classrooms.

We encourage everybody to fellowship with one another after the service. However, in an effort to reduce the risk of transmitting COVID, we are encouraging everybody to fellowship outdoors.

For those attending the 9:30 worship service, we ask that you move outside fairly quickly to allow those attending the 11am worship service to come into the Chapel.
